

Network Nebraska Organizational Relationships

Network Nebraska, as cited by LB 1208 (2006)

- (N.R.S. 86-5,100) The Chief Information Officer, in partnership with the University of Nebraska, shall develop and maintain a statewide, multipurpose, high capacity, scalable telecommunications network to be called Network Nebraska. The network shall consist of contractual arrangements with providers to meet the demand of state agencies, local governments, and educational entities as defined in section 79-1332.
- (N.R.S. 79-1332) Educational entity means a school district, a private, denominational, or parochial school, an educational service unit, a community college, a state college, the University of Nebraska, or a nonprofit private postsecondary educational institution.
- (N.R.S. 86-5,100) The Chief Information Officer shall provide access to each school district, each educational service unit, each community college, each state college, and the University of Nebraska at the earliest feasible date and no later than July 1, 2012.
- (N.R.S. 86-5,100) The Chief Information Officer shall establish a cost structure based on actual costs plus administrative expenses and shall charge participants according to such cost structure.
